

# Live Wedding Customization

## Thoughtful, Hand-Painted Details—Created Live

Add an artful, unforgettable touch to your wedding celebration with live, on-site customization. Each piece is hand-painted in real time, offering your guests a meaningful keepsake and an experience they'll remember long after the day ends.

Perfect for couples who value craftsmanship, personalization, and beautiful details.

## The Wedding Experience

During your event, guests select a product and watch as it's customized just for them—featuring initials, names, dates, or wedding-inspired motifs. Every item is one-of-a-kind and painted by hand.

This experience feels intimate, elevated, and seamlessly woven into your celebration.
